ISTJ Strengths

ISTJ Strengths

Respondents can get an **overview of their strengths** at a glance.

- **You have a strong sense of responsibility** and great loyalty to family, relationships, and your employer. You work with steady energy to fulfill commitments as stated and on time.

- **You will go to almost any amount of trouble to complete something you think is necessary** but push back at doing anything that doesn't make sense.

- **You generally prefer to work alone** and be accountable for the results. However, you are comfortable working in teams or work groups when that is necessary to do the job right, when roles are clearly defined, and when people fulfill assigned responsibilities.

- **You have great respect for facts** and have a storehouse of information that you access to understand the present.

- **You are clear and steadfast in your opinions** because you have arrived at them by carefully and thoroughly applying logical criteria based on your experience and knowledge.

- **You believe standard procedures exist because they work.** You will support change only when facts demonstrate that it will bring better results.
